RE: 2017-343-T

Mr. Hearing Officer,

As you are aware, there is a prehearing conference scheduled in this matter for Monday, March 5. Currently, there is no notice of appearance filed for the Company. There are several outstanding issues that the Company needs to address with ORS. In light of the fact that the Company, to my knowledge, has no legal representation, a prehearing conference would not be fruitful. ORS would need to have the opportunity to consult with legal counsel for the Company in order to address the outstanding issues. Therefore, ORS requests that the prehearing conference scheduled in this matter be held in abeyance until the Company provides proof of legal representation. Again, in order for a meaningful prehearing conference, ORS would need to consult with the Company's attorney.

Thank you for your attention and consideration of this matter.

Lessie Hammonds
